I had an amazing experience with trekkers united ; went to Gokarna kumta beach trek . The trek was very well planned and not rushed . Trek leader Shikhar was friendly as well as responsible .We can connect with him very well . This trek is so exciting we can see some spectacular beaches and some other attractions like yana caves, vibhooti waterfall .The trek itself was thrilling and trek leader helped me as I was doing a trek after losing time . I would definitely recommend this to everyone . I am looking forward to next trip with TU already 😊 .

Had an amazing trek at Gokarna. All thanks to trekkers united for organizing it so professionally. The food arrangements, stopovers and the commutes arrangements lived upto the mark. Special mention for the trek leader Shikhar for pulling it off so well. He ensured that we enjoy this trek to the fullest and yet being ever so responsible in managing all the things. For someone like me who had never been on a trek before, this experience has surely been an encouraging one 🙌
