There couldnt have been a better way to go on my first solo trip experience Meghalaya than the one I did with trekkers united! Right from the local homestays, to the food, journey and company, everything was perfect. Our trip leader Shikhar made the week even better, be it keeping us motivated through the long climbs, handling unexpected accidents calmly, or going out of his way to ensure each and every person's wishlist was fulfilled.

Hoping to go on many more trips where I make memories and find friends like these!

Experienced the Meghalaya New Year Dec 2022 Backpacking Trek with TU. Tirth, Tisha and Vidya ensured that things were as smooth as possible, and the fun element of the trip was never down. The treks were well planned and over the course of a week, we formed some great friendships as well. The Blue Lagoon Waterfalls was the highlight of the trip for me personally and the trek to reach there was one that i cannot forget. Right from the train journey in Mumbai till the last drop point in Guwahati, we had absolute fun and created some lifelong memories. Surely would recommend, even if you are solo, you would eventually make some great friendships. Looking forward to more with TU.
